

One time use waivers will be generated on an event by event basis by the BC Alpine office.

The image shows a scanned document, which is a waiver form. The text is small and difficult to read, but the layout is clear. It includes a header section, a section for event information, a section for participant information, and a large section for liability release. There are several checkboxes and lines for text entry. The form is framed by a thick black border.

Please contact Keven Dubinsky ([kevend@bcalpine.com](mailto:kevend@bcalpine.com) / 604.678.3070) in order to obtain a waiver for your event. Be sure to include dates and information on the event.
